### **[Press releases](#)** [9] **and** **[stakeholder reports](#)** [10]

Display your press releases and stakeholder reports on the Parliament Magazine to boost the reach of your messaging. Your contributions will be tagged by policy area in the same way as our editorial content to ensure prominent and relevant placing of your content throughout our site.

## [The Parliament Magazine](#) [11]

The cover of 'The Parliament Magazine' features a central photograph of Martin Schulz, the President of the European Parliament, smiling. He is wearing a dark suit, a white shirt, and a blue patterned tie. The background is a dark blue with yellow stars, reminiscent of the European Union flag. The magazine title 'THE PARLIAMENT' is prominently displayed in large white letters, with 'POLITICS, POLICY AND PEOPLE MAGAZINE' underneath. Various headlines and teasers are scattered around the cover, including 'INSIDE', 'EYD', 'LOOK-AHEAD', 'BLAST OFF', and 'EXCLUSIVE'. The issue number '404' and date '26 January 2015' are also visible. A small 'DODS' logo is in the top right corner. A Twitter handle '@Parlmag' is mentioned in the top right area. At the bottom, a caption reads: 'Parliament president says the EU can make a 'positive impact' on citizens' lives in 2015'.

The Parliament Magazine offers unique and authoritative editorial content. Driven by comment and analysis from both EU policymakers and an in house team of experienced journalists, the magazines and special supplements are essential reading for anyone interested in the EU and its decision making processes.

Each fortnight the Parliament Magazine guides you through the maze of European politics with balanced, objective and informative coverage. The Parliament Magazine is widely recognised as the magazine by MEPs, for MEPs.

The Parliament Magazine also features its sister publications the Regional Review and the Research Review. The Regional Review highlights innovation and best practice across key regional policy sectors, as well as providing up to date news and analysis of regional policy legislation and developments at EU, national and regional levels. The Research Review acts as a forum for communicating success stories coming out of the EU's research framework programmes, while keeping researchers and the EU institutions up to date with the political happenings on Europe's research landscape.
