Welcome to the new look Parliament Magazine. Over the last few months, we've been in thoughtful deliberation over how to implement improvements to your magazine's style and content: improvements that we know you've been looking for.

In this issue, you'll find new content features, beginning on with our news, views and insight pages. Over the coming weeks we'll be introducing more new and diverse content and restoring some old favourites, including our ground-breaking tête-à-tête policymaker clashes.

We also hope you enjoy our new "5 questions with..." feature. Who'd have thought that Scarlet O'Hara would provide such inspiration to our featured MEP.

As always, we value and want your feedback on these changes and other improvements you'd like to see. So let us know what you think, what you like and what you don't like and we'll do our utmost to incorporate your suggestions.
